References to “you” or “your” include all applicants, and for non-individual applicants, also include the Authorised Individuals listed in the Application. Words in singular also include plural, and vice versa.

1 ASSET UNDER MANAGEMENT (AUM)

Amendment Notice Requirement

If your personal or financial circumstances change, if there are any new restrictions on trading, or if any other factor arises that could affect how GoldKach manages your assets, you must inform GoldKach immediately in writing through an Amendment Notice. Once GoldKach receives this notice, it will review the changes and decide whether to continue managing your assets and whether additional instructions or information are required.

GoldKach may also ask you to complete and sign a new IPS, even if you have not submitted an Amendment Notice. If you fail to provide a new IPS when requested, GoldKach reserves the right to terminate the Investment Management Agreement immediately.

- Your breach of the Investment Management Agreement
- Any wrongful conduct by you or someone you are responsible for

This indemnity does not apply to losses caused solely by GoldKach's gross negligence or intentional misconduct. You also agree to assist GoldKach in defending any claims or legal actions. This indemnity is in addition to any others you have provided and continues even after the Agreement ends.

- Potential gains are amplified if the investment performs well
- Potential losses are also amplified if the investment performs poorly
